

Woman's Missionary Union challenges Christian believers to understand and be radically involved in the mission of God. This involvement happens as WMU leads people to:

- Learn about God's work around the world
- Experience missions personally
- Support missions through prayer and giving
- Develop lifestyles that reflect commitment and obedience to the Great Commission.

Every church needs WMU. Statistics show that churches with WMU give more through the Cooperative Program and all missions offerings than churches without WMU.

WMU impacts a church through:

- Churchwide missions emphases
- Age-level organizations
- Missions projects and ministries

Missions organizations sponsored by WMU include:

- Preschoolers: Mission Friends (birth through kindergarten)
- Children: Girls in Action (girls, grades 1-6), Royal Ambassadors (boys, grades 1-6), Children in Action (children, grades 1-6)
- Students: Acteens (girls, grades 7-12), Challengers (boys, grades 7-12), Youth on Mission (youth, grades 7-12)
- Adults: myMISSION (young adult women, 18-34), Women on Mission, Adults on Mission

WMU encourages every believer to participate in hands-on ministries locally and beyond and sponsors international, national, and state missions weeks of prayer and offerings. WMU provides missions opportunities through ministries such as Pure Water, Pure Love; Baptist Nursing Fellowship; MissionsFEST/FamilyFEST; Christian Women's Job Corps/Christian Men's Job Corps; WorldCrafts; International Initiatives; and Project HELP.
